

**Ecztreme™ and Shingles SOS™
Usage Instructions and Ingredients**

These Products are 100% Natural—No Artificial Anything!

***Please note: A Patch test is recommended before using any new product. Simply apply a small amount of the product to the inside of your elbow. If No reaction is noticed within 24 to 48 hours, you are most likely not sensitive to the ingredients and may assume it is safe to use as directed. If a rash or other reaction occurs, discontinue use and consult a qualified medical professional.**

Ecztreme™ Butter

Apply liberally to affected areas. For external use only. Avoid contact with eyes. Try it as a face & body cream for mature, dry skin! Dab it on cuts, scrapes and bites—whatever!

Ingredients: Castor Oil, Unrefined East African Shea Butter, Cocoa Butter, Oils of Calendula, Calophyllum Inophyllum, Carrot seed, Infused Oatmeal, Aloe Vera, Rosemary Oleoresin Extract, Flaxseed, Natural Vitamin E, Neem & Bee Pollen and Essential Oils of Bulgarian Lavender, Palmarosa, Geranium, Tea Tree & Leleshwa.

Ecztreme™ Essential & Carrier Oil Blend

Apply liberally to affected areas. Add 1 Tbsp. to ¼ Cup of Dead Sea Salts to a warm bath to help dry up “weeping” sores, or add just 1 Tbsp. of the blend to a warm bath and soak for 10 to 15 minutes. May also be used in the same manner (at ½ the amounts) for a hand &/or foot soak. Try it as a face & body oil for mature, dry skin! Dab it on cuts, scrapes and bites—whatever! For external use only. Avoid contact with eyes.

Ingredients: Castor Oil, Oils of Calendula, Calophyllum Inophyllum, Carrot Seed, Infused Oatmeal, Aloe Vera, Rosemary Oleoresin Extract, Flaxseed, Natural Vitamin E, & Bee Pollen and Essential Oils of Bulgarian Lavender, Palmarosa, Geranium, Tea Tree & Leleshwa.

Ecztreme™ Soap

Contains: Saponified oils of Coconut, Unrefined East African Shea Butter, Calendula, Calophyllum Inophyllum, Carrot Seed, Neem, Castor, Fractionated Coconut, Palm, Aloe Vera, Bee Pollen & Palm Stearic (Vegetable source). Also contains Essential Oils of Bulgarian Lavender, Palmarosa, Geranium, Tea Tree & Leleshwa.

Shingles SOS!™

Apply liberally to affected areas. Add 1 Tbsp. to ¼ Cup of Dead Sea Salts to a warm bath to help dry up “weeping” sores, or add just 1 Tbsp. of the blend to a warm bath and soak for 10 to 15 minutes. May also be used in the same manner (at ½ the amounts) for a hand &/or foot soak. Dab it directly on to Shingles and allow to soak in. Use with the Ecztreme™ soap and butter for maximum results. For external use only. Avoid contact with eyes.

Ingredients: Oils of Fractionated Coconut, Calophyllum Inophyllum, Carrot Seed, Neem, Rosemary Oleoresin Extract and Natural Vitamin E. Also includes Essential Oils of Ravensara, Bulgarian Lavender, Geranium, Tea Tree & Leleshwa.
